

departures.

**OLN** original series **Departures** is the action-packed and personal journey of two travelers, Scott Wilson and Justin Lukach who leave their lives behind in search of unique experiences through some of the most beautiful and remote places on earth. From epic landscapes and unforgettable culture, to the often trying times that come with international travel, the series chronicles the unforgettable friendships, personal successes and sometimes crushing disappointments that befall them on their journey. Accompanied by their friend and cameraman, Andre Dupuis, **Departures** is as much about the journey as it is the destination. No prizes, no contests, just real life and real travel.
