

MINUTE WIN IT

Popular television personality, Guy Fieri hosts this exciting game show that enlists contestants to play hair-raising games using household items and off-the-shelf products. The tasks at hand may seem light hearted, but the stakes and the pressure could not be higher as participants play in front of a cheering studio audience for up to one million dollars--and they've only got a **Minute to Win It!** Whether they're playing tic-tac-toe with ping pong balls and water glasses, emptying tissue boxes with one hand, or picking up cotton swabs with their nose, these competitors are game!
