

The Dudesons

The Dudesons are an international sensation who take extreme comedy to new levels with their unique, story-driven combination of crazy humour, insane action and engaging characters. The life of **The Dudesons** is a journey from one comical disaster to another. They are four clean living, healthy guys who just have a passion for performing the most outrageous stunts. But more than anything, this is their life, and shows exactly how they live, Jarppi, Jukka, Jarno, HP and Britney, their beloved pet pig, have become icons of the absurd and turned themselves into a worldwide success. The movie version was their homeland's biggest premiere and won the Finnish Oscar "Jussi" Viewers Choice Award for best movie.
